NEWSLETTER- FEBRUARY 2018

[LITTLE CHURCH IN RIO BRAVO](#) - is almost finished. My father, Edgar Stone, had envisioned building a little church in Rio Bravo. Almost 6 years later, it's a reality. Not big, but one the members are proud of. They are blessed! God is always faithful.

[EL BUEN CAMINO CHURCH](#) - is busy and active with services most of the week. Pastor Silvia has a good membership attending with many activities for the kids and youth. A strong servant for the Lord and the Kingdom. They are blessed! God is always faithful.

ICEM – had a pastor conference in January. These are some of the pastors that graduated from Victoria Bible Institute from the 60's through 90's. All have been committed in ministry since their graduation, fulfilling the "VISION" Edgar had in 1960 in building the Bible Institute.

SEWING CLASSES – started again January.

There are approximately 38 to 40 women attending at two different areas in Reynosa.

This is one of them. Busy, happy and are

especially thankful for this privilege that you help provide. They are blessed. God is always faithful.

Another year for us to work and maintain the ministries across Mexico as needs warrant. God has always been faithful to help us each day with what may come up. As it is different now than in the past when we could go ourselves to the churches and visit the people, now we depend upon the pastors to provide the information and photos and that is why the photos are all different in looks and quality. It's more difficult for those in southern Mexico to make contact, so I get little information from them, but they are there and are working for God.

We are filled with gratitude and love for each and everyone of you; for your prayers, financial support, food, clothing and everything else that you give for Mexico. God bless you all for your generous spirit of giving of yourselves as unto the Lord as we all are.....

*... working together in Ministry,
Phyllis Stone Martin and Lorene Stone*
