

HAPPY NEW YEAR

Ending of 2017 \*\*\*\*GRADUATION

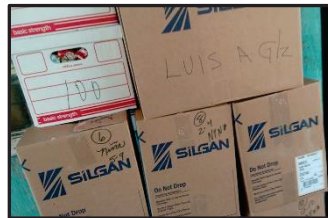

The Bible College students graduated in December and are eager to start their ministries. We praise their dedication these past 3 years, moving ahead to join others in reaching people for Christ.

\*\*\*\*CHRISTMAS

With Mexico being as it is, the director in Mexico distributed the gifts and candy for me from his church in Reynosa. The pastors who are able pick up theirs are boxed and ready to go; the director delivers the rest to the villages.

We, together with David & Joyce White were able to distribute 1700 gifts and 2500 candy rolls; to Hector's homeless shelter, to Ponce in Rio Bravo, then to our Reynosa churches, Cinco de Mayo, San Fernando, Mendez, Burgos, Vera Cruz, Zacatecas and others. Thank you all for your donation to the children.

\*\*\*\* OTHER NEWS

We are assisting in fixing the apartment above the church to make it livable for the new pastor, Mimi Garcia and husband Angel. It had never been finished from the previous pastor. Added bathroom/shower; walls plastered, plumbing, electric, bought a washer and new stove. The others were inoperable. New glass for windows as they were all broken, then will add a few cabinets and last will be repairing the floors. The church

also needs repairs on the outside. It will take several more weeks to get it all done, but God is good in providing the funds needed.

As you can see it's a huge task. So many things left undone or incomplete over the years. Our commitment is repairing it a little at a time.

This past year we were able to distribute 19,000 lbs. of rice; clothing & medical supplies and household items; we gave families financial support when needed; started building the church in Rio Bravo, distributed bibles and much more. Ministering to those in need and sharing the Gospel of Christ.

We appreciate your letters and support for the ongoing work in Mexico.

I continue to travel to McAllen/Mission/Reynosa/Progreso, where-ever needed every month. Checking in with pastors and our Mexico operations director to see what is being done and cared for with continuing support in all areas of our mission work. We thank God for His continued provisions and pray God's blessings to you in 2018 and look forward to what He has instore for us this coming year.
